Tesla Model Y delivery checklist

The Electric Standard · theelectricstandard.ca · Canada edition

Before you order

- ☐ Confirm whether your final price qualifies for the federal EVAP rebate (see Rebates)
- ☐ Get an insurance quote for the exact trim before ordering
- ☐ Decide on paint, wheels and interior; note any extra-cost options
- ☐ Decide whether to use a referral link
- ☐ Check where the car will charge (driveway, garage, condo)
- ☐ Get a licensed electrician to assess your panel if you want Level 2
- ☐ Consider the Ontario Ultra-Low Overnight rate plan (see Calculators)
- ☐ Have your driver's licence and proof of address ready
- ☐ Ask about green licence plates at registration (see Ontario ownership)
- ☐ Read the order agreement's cancellation and delivery terms

Delivery-day inspection

- ☐ Walk around: paint chips, scratches, swirl marks
- ☐ Panel gaps and alignment (doors, hood, trunk, frunk)
- ☐ Windshield, roof glass and windows: chips or cracks
- ☐ Wheels and tires: curb rash, correct size, tread
- ☐ All lights work (headlights, tail lights, signals)
- ☐ Charge port door opens and closes
- ☐ Seats, headliner and trim: marks or tears
- ☐ Touchscreen responds; no dead pixels
- ☐ Windows, mirrors and seat adjustments work
- ☐ Climate: heat and A/C both work
- ☐ Speakers and microphone (try a voice command)
- ☐ Phone key pairs and unlocks the car
- ☐ Key card works
- ☐ Frunk and trunk open fully
- ☐ Plug in to confirm charging starts
- ☐ Check the odometer reading on paperwork matches the car
- ☐ Note the software version
- ☐ VIN on paperwork matches the car
- ☐ Note any issues on the delivery paperwork or in the app before accepting

Delivery wait times

Wait times vary with inventory, trim and location; use the estimate in your Tesla account. Watch my pickup POV: youtube.com/watch?v=9cWLL9J86s4
